

New Horizons, the Workforce Development
Institute (WDI), and
IoT Right Present:
Solving Skills Gaps in 2022

[Register Now](#)

**Free event! Identify skills gaps and access
workforce development funds to help
improve internal technology skills.**

Thursday, January 13
12:00pm
[In-person](#) or [virtual](#)

As you know, New Horizons is here in NY offering traditional classroom and virtual Online LIVE instructor-led classes. Beyond Microsoft Office, we cover a number of technology topics like AI, IoT, Data Science, L&PD, Cloud, and Virtualization - not to mention our Center for Leadership and Development (CLD) program.

**WORKFORCE
DEVELOPMENT
INSTITUTE**

Workforce Development Institute (WDI) is a statewide non-profit that works to grow and keep good jobs in NYS. WDI uses a range of tools — including “boots on the ground” information, workforce expertise, and connection to various funding sources — to facilitate projects that build workforce skills and strengthen employers’ ability to hire, promote, and retain workers.

IoT Right provides open, secure, and easy to use end-to-end IoT solutions to fit any IoT vertical market.

Join New Horizons, WDI, and IoT Right for an exclusive complimentary event. We’ll talk about AI, IoT, and data science and provide more details on the skills gaps our three groups can help your organization with - AND, start the process of making your 2022 skills-gap planning successful:

- **Event Description: Solving Skills Gaps in 2022**
- **When:** Thursday, January 13th at 12pm.
 - Limit 15 in-person attendees - lunch will be provided!
